

February 25, 2011

Below are anticipated construction activities for the week of 2/28/2011.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Work is scheduled to take place during the daytime hours, though some sidewalk closures will be necessary overnight. Lane closures and restricted parking are to be expected during construction activities on the following streets.

- Stuart Street from Roosevelt Avenue to 25th Street
- Vermont Street from Meridian Street to Pennsylvania Street
- Pennsylvania Street from Maryland Street to Washington Street
- Intersection of Ohio Street and Pennsylvania Street
- Merrill Street from Kentucky Avenue to Missouri Street
- New Jersey Street from Ohio Street to Michigan Street
- Illinois Street between Maryland Street and Washington Street
- Henry Street from the first alley west of Missouri Street to Missouri Street
- Kenwood Avenue from I-70 to McCarty Street

The intersections of Missouri Street and South Street as well as New York Street and Delaware Street may be restricted as traffic signal work is underway.

The rehabilitation of the Oliver Avenue Bridge over White River will continue. The bridge will remain open during construction with lane restrictions.

The Morris Street Bridge over White River will be closed during construction. A posted detour route will direct motorists around this year-long project.

Lafayette Road between 16th Street and 19th Street and the intersection of 10th Street and Miley Avenue may have some isolated daytime restrictions.

Brick work on Market Street will continue as weather permits.

Lane restrictions are in place on Washington Street from Delaware Street to Capitol Avenue.

Lane restrictions are in place on Michigan Street from Union Drive to Porto Alegre Street due to utility work.

Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick

Work is in progress on Capitol Avenue from Washington Street to Maryland Street and also on Alabama Street from Market Street to Washington Street. Utility relocations are underway on Virginia Avenue south of South Street and on Washington Street from West Street to Delaware Street. The Southeast Phase began construction on Thursday, February 24, with traffic restrictions beginning just south of Maryland Street on Virginia Avenue, under the Conesco Fieldhouse garage. The contractor will be removing the existing curb and sidewalk on the west side of Virginia Avenue. Two-way traffic will be maintained on Virginia Avenue at all times.

Georgia Street

Georgia Street is closed from Capitol Avenue to Illinois Street to through traffic. During the daytime hours, one lane will be provided between Capitol Avenue and Illinois Street for both ingress and egress to Saint John's Church only. An off-duty officer will be on site to direct traffic. After construction has ceased for the day, access will return to its original layout with one-way access maintained between Capitol Avenue and Illinois Street to Saint John's Church only. Georgia Street from Illinois Street to Meridian Street is restricted to one lane of traffic. One-way access to the Simon parking garage remains open. Georgia Street from Meridian Street to Pennsylvania Street is restricted to one lane. One-way access to residential and surface parking areas will remain open. Please visit the project Web page at www.indy.gov/georgiastreet.

Scioto Street

Work on Scioto Street between Georgia Street and the Union Station parking garage is currently suspended.

WAYNE TOWNSHIP

Some restrictions may be in place as concrete curb work is underway on 10th Street between Raceway Road and the railroad overpass.

PIKE TOWNSHIP

38th Street from I-465 to I-65 remains under construction. Please visit the project Web page at www.indy.gov/dpw.

WASHINGTON TOWNSHIP

Grandview Drive will be closed from north of Kessler Boulevard to Fox Hill Drive, as well as just south of the Kessler Boulevard intersection.

Installation of guardrail and end sections may occur on Cooper Road.

WARREN TOWNSHIP

Raymond Street will have lane restrictions over Lick Creek during the bridge rehabilitation. The right-hand lanes for both east- and westbound traffic will be closed during this phase.

FRANKLIN TOWNSHIP

Sanitary sewer pipe installation continues on Five Points Road from Southeastern Avenue to the CSX Railroad tracks just south of Hanna Avenue. It will be open to LOCAL TRAFFIC ONLY until April 1, 2011.

PERRY TOWNSHIP

Sumner Avenue from Meridian Street to Arbor Avenue will be open to LOCAL TRAFFIC ONLY during sanitary sewer installation. The suggested detour will be posted along the roadway: Harding Street to Troy Avenue to Meridian Street.

Restrictions may be in place at Division Street and Sumner Avenue and the east side of Bluff Road on Sumner Avenue as crews are installing mainline sewer.

Hanna Avenue from Madison Avenue to Carson Avenue will remain under construction. Traffic has been switched to the new pavement on the north half of Hanna Avenue with one lane in each direction

DECATUR TOWNSHIP

Crack sealing will begin on Mooresville Road from Lynhurst Drive to Mann Road and Ralston Road and Paddock Road to Mann Road as weather permits.

In anticipation of the construction due to start this Spring on Stanley Road and Mirabel Road, some clearing of tress, bushes and fencing may begin, weather permitting.

LAWRENCE TOWNSHIP

Restrictions may occur on the following streets as storm water improvements are underway.

- Lennington Drive
- Elizabeth Street
- Edmondson Avenue
- 40th Street
- Kenneth Avenue
- Villard Avenue
- Desmond Avenue
